Apocalypse Now: The Lion Roars
“The Victory of the Everlasting Gospel”
Revelation 14:1-15:5
Wayne Shelton

In Revelation 14:1-15:4 the Lord assures his people of their ultimate safety. As a result of this assurance, he calls for us to endure. In the meantime, he gives messages of warning and calls to repentance. For in the end, there is an accounting of one’s life before God; our deeds now have consequences eternally.
