'Beyond Ourselves' for the Service of the Kingdom  
"Filled with a power Beyond Ourselves"  
Acts 2:1-21  
Wayne Shelton

*focal: v4a: 'And they were all filled with the Holy Spirit'*

The early church had none of the things that we think are so essential for success today – buildings, money, political influence, social status – and yet the church won multitudes to Christ and saw many churches established throughout the Roman world. Why? Because the church had the power of the Holy Spirit energizing its ministry. They were a people who 'were ignited by the Spirit of God.' That same Holy Spirit power is available to us today to make us more effective witnesses for Christ. The better we understand his working at Pentecost, the better we will be able to relate to him and experience his power.
