Transforming Grace
“Grace’s Clarifying Perspective”
Romans 12:3
Wayne Shelton

The only thing that enables us to see ourselves the way we really are – the way that God wants us to see ourselves – is the grace God has for us in Jesus Christ. This perspective was Paul’s hope for the Romans, as it is the Holy Spirit’s hope for us. In our text this week from Romans 12:3, Paul provides the way this biblical dynamic can be our heart’s perspective.
