Transforming Grace  
“Grace’s Endless Kindness”  
Ephesians 2:1-10  
Wayne Shelton

However much grace God has shown to us in this life, he will show us even *more* in the life to come. Throughout the endless ages of eternity, he will show us the ever-increasing grace of his infinite love. Is it really the case that in the coming ages God will show us more of his life-changing grace? For the answer to this question we need look no further than Ephesians 2:7: “So that in the coming ages he might show the immeasurable riches of his grace in kindness toward us in Christ Jesus” (v7).
